

IMPORTANT UPDATE- SIX NATIONS & NORFOLK PARTNERSHIP

Our next information session is Thursday, Dec 21, 2023, 7pm-9:30pm at Mississauga of the Credit Community Hall, 659 New Credit Rd., Hagersville, ON N0A 1H0

Voting will take place after the meeting.

Voting rules:

One vote by a parent/guardian per family

One vote for coaching/bench staff, in addition to family vote; and

One vote per board member, in addition to family vote

Your SNMH board is proud to provide this chance to remove barriers and increase opportunities for all our players.

By partnering with Norfolk our players will be able to try out on a fair and equal basis for both A and C rep teams. At the same time, we will still have our Six Nations Local League teams here in Six Nations. At all levels our players will also have the opportunity to receive professional skating, skills and goaltending development.

See a full presentation attached.

Please plan to attend, your input and support of this milestone direction is very important.

You will also find our SNMH board staff at the arena for upcoming games to share information and answer any questions you may have.
